THE ULTIMATE TOURING EXPERIENCE

SCENIC TOURS
NEW FOR 2011/12

We are continuously looking for ways to improve our touring programme. This strive for perfection has been recognised by Tourism New Zealand, who have awarded us with their Best Product Development award on several occasions.

And this year is no different. We have added a brand new tour - the 31 day Very Best of Australia & New Zealand - which showcases the best that these amazing countries have to offer. The tour includes all of Australia’s wonderful sights from Uluru (Ayers Rock) and the Great Barrier Reef to Sydney’s Opera House and Harbour Bridge. In New Zealand, highlights include awe-inspiring Milford Sound, Queenstown and the North Island’s volcanic centre at Rotorua.

We understand that your holiday is one of the most important investments that you make, and it is our job to make sure you experience the holiday of a lifetime. We invite you to come and join us and see for yourself what makes travelling with Scenic Tours the Ultimate Touring Experience.

FULLY INCLUSIVE TOURING

At Scenic Tours, we offer a fully-inclusive touring programme - there are no hidden extras. All your travel, a three night outbound stopover, first class hotels, a large selection of meals, porterage and all excursions are included in the price of your holiday.

On top of this, we include a range of Scenic Exclusives, which are extra special inclusions that you will not find with other companies. From sea plane flights and helicopter rides to spectacular rail journeys and cruises. And we don’t stop there… flexibility comes as standard when you travel with Scenic Tours, at no extra cost. You can choose your airline on New Zealand tours as well as your outbound stopover on every tour featured in this brochure. And when you arrive in your destination you have the opportunity to tailor your holiday to suit your tastes with our unique Scenic FreeChoice programme.

Quite simply, we include the things other companies leave out. With other escorted tour operators you will just be transported from ‘A’ to ‘B’, staying in mediocre hotels and paying extra for all your meals and ‘optional’ excursions. Scenic Tours prides itself on its fully-inclusive touring, which means you have very little to pay once you leave the UK.

LUXURY HOTELS AND FIRST CLASS DINING

THE FINEST HAND-PICKED HOTELS

Accommodation on our tours is always the finest, most centrally located available in each area. Two, three or four night stays have been included in the primary places of interest, so that you are able to fully explore all that New Zealand and Australia have to offer. In New Zealand our hotels have been selected for their distinctive character, from smart resorts to intimate hotels in remote settings. Whilst in Australia, we have chosen hotels in the heart of the cities or secluded resort-style hotels that offer beautiful surroundings, from which you can explore the local area or use as a place to relax and unwind.

UNIQUE, BOUTIQUE AND LUXURY STAYS

Why not indulge yourself and upgrade your tour with a stay in one of our Unique, Boutique and Luxury properties. The upgrade options range from Longitude 131°, an exclusive ‘safari’ style tented resort in Uluru (Ayers Rock), to world-renowned luxury lodges in New Zealand. Our collection offers the perfect way to celebrate a special occasion or to pamper yourselves. With prices starting at only £129 per person for a four night upgrade to Opera View rooms at the Four Seasons in Sydney, the upgrades are outstanding value for money.

FIRST CLASS DINING

Dining is a wonderful part of any holiday, and our holidays feature numerous gourmet delights and dining experiences. Scenic Tours include a large selection of meals during your holiday and we pride ourselves on the variety and quality you will enjoy. You’ll start every day with a full buffet breakfast which features several hot selections. Many lunches and dinners are also included. In certain destinations we feature Scenic FreeChoice Dining, which gives you the opportunity to choose your own dining experience. In Melbourne for example, you can choose from dinner onboard a historic tramcar, the Crown Promenade Hotel, or even a pie and a pint at an ‘Aussie Rules’ football match.

HIGHLIGHT DINNERS

Many highlight meals are included which will provide you with the opportunity to sample native foods, learn more about local culture or simply enjoy a unique dining experience in a unique setting. In New Zealand, for example we feature a traditional ‘Hangi’ dinner in Rotorua and in Australia, the Sounds of Silence dinner offers fabulous cuisine with sunset over Uluru (Ayers Rock) as your backdrop.
